## U.S. Postal Service Update

***Significant progress made in restoring service to flooded areas of Louisiana***

BATON ROUGE --- Just over two weeks since historic floods hit Louisiana, the Postal Service has made huge strides in its efforts to restore mail service to customers. Each day, we continue to make progress toward ensuring customers receive timely, efficient and reliable mail service, including at temporary alternate locations. The update list below shows offices (in bold) still currently suspended, and the temporary locations where mail for those offices is being handled.

Here are some reminders we are sharing with customers, regarding their mail service:

- ✓ All customers with an accessible box at their home address will receive mail in their box.
- ✓ Any customers who do not currently have an accessible box should come to the retail counter at the Post Office location currently serving as your temporary Post Office, and with proper photo ID, you can receive your mail.
- ✓ For Denham Springs customers whose boxes are not accessible, mail will be available (with proper photo ID) at the Denham Springs temporary trailer, located at 140 Del Orleans Ave in Denham Springs.
